

The Beer Cave and Heavy Product Display

Big. Bulky. Heavy. Bring It.

Planniq Strong® is our most powerful system for high-capacity merchandising. Showcase your beers, beverages and bulky products with Planniq Strong®. It lets you bypass conventional convenience store shelves and fixtures so you can display your heaviest merchandise with confidence. Choose from a range of sizes, all up to the task of handling an industry-leading 2,000 pounds per four-foot section. Ships within two weeks. Freight and sales tax calculated at checkout.

Planniq Strong® Key Product Uses:
